BOARD of DIRECTORS Annual Retreat

On July 23, board members and staff gathered in Kerrville for a planning retreat. The focus was on how the organization plans to sustain its programs and services in spite of government funding reductions and the economic downturn. Board members identified specific objectives designed to increase volunteer participation, general awareness, and contributions from individuals, corporations, and churches. We intend to focus more on face-to-face interactions and social media to expand our reach. If you are a member of a business association, civic group, or church group, please contact us to arrange a speaker from Christian Senior Services.

A CHANGE IN PACE

GRACE PLACE has always offered clients the opportunity to go on field trips, but now clients can roll in style thanks to the new Grace Place van! Under the supervision of the Activity Director, trips are made to the Public Library for books and DVD's and to Morgan's Wonderland for nice picnic outings, where participants can also enjoy rides on the train and carousel! In addition, frequent visits to historic landmarks, such as the Alamo and Brackenridge Park, can provide mental stimulation as landmarks often trigger a fond memory or healthy discussion amongst the group. Many thanks to the generosity of the Anderson Charitable Foundation and Jean and Kenneth Ladensohn Trust, which made it possible to purchase a new 13 passenger van!

MOM TEACHES KIDS TO GIVE BACK, CREDITS MEAL DELIVERY

Meet Lindsay Gurr, a mother of two who has volunteered with Meals on Wheels of San Antonio for over a year. We recently caught up with Lindsay and asked her to share a few words on why her family is committed to volunteering.

"I started delivering for MOW back when we lived in Buffalo, NY," said Gurr. "[My son] Joey had just been born and it was my first time being a stay at home mom. I still wanted to get out, I knew I loved helping people, and I REALLY wanted to teach my kids to

L to R - Peter and Lindsay Gurr with son Kimball (4) and Joey (6)

love serving others. I thought that if I didn't start when my first was young, I might just put it off and never start. So Joey and I started [delivering meals] when he was 3

months old."

Years later, the Gurr Family moved to Texas and once again, Lindsay turned to Meals on Wheels for a life lesson. "Kimball [her second son] had just turned 3, so I wanted him to have the same experience and learning that comes from helping others. I have seen my young boys learn to truly care about other people... I think we all come away from each experience a little more grateful for our blessings, a little more aware of other's needs, and a whole lot happier."
